Introduction

Here you will find all the seals of Solomon discussed in the “The Magickal Talismans of King Solomon”. Please reference the book for more information.
First Pentacle of Saturn

This Talisman is used to compel others to do your will.

This Talisman is often used to compel people, but it is also used to compel spirits to do your will.

The Hebrew letters in the square are the four, four lettered names of God:–YHVH, Yod, Hey, Vav, Hey; Aleph, Dalet, Noon, Yod-- Adoneye; Yod, Yod, Aleph, Yod,--Yiai and Aleph. Hey, Yod, Hey—Eh-ee-yeh. The Hebrew scripture is from Psalms 72:9: ‘May the desert tribes bow before him and his enemies lick the dust.’

Second Pentacle of Saturn

If you are in any kind of competition, whether it be sports, person or business, this Talisman works wonders.

If you have studied seals before you will recognize the very famous “SATOR” square. This square is ancient since they have found the square in a few ancient sites; more specifically first in the Ruins of Pompeii. It is mentioned the most in books on magick from the medieval period. Although there are several traditions on the Square and its function, some believe it has “General” magickal powers and therefore, in this seal it is meant as an enhancer. There are 25 letters in the square; this will become important in a moment.
The Hebrew verse around it is from Psalms 72:8 “May he rule from sea to sea and from the River to the ends of the earth.”

In Hebrew, that verse also contains 25 letters.
